

Connexis Gateway

published on 10.01.2018

Description

Add Connexis Gateway host-to-host transfer to your Connexis Cash E-banking application to flawlessly exchange payment and reporting files.

Benefits

Specially designed for Connexis Cash for a seamless transfer and an optimised data display.
View and monitor transaction status and reporting online.
Choose from an extensive catalogue of formats and methods of payments or define the contents of your payment and reporting files in xls /csv formats.
Manage user certificates and settings online.

Specifications

Highly secured transfer protocols: FTPS, SFTP, AS2.
PGP certificate for encryption and signature.
Acceptance and generation of same extensive file formats as Connexis Cash.
Pre-authorisation or online authorisation.
Notifications via e-mail of file transfer status.
