

E-Link

published on 16.01.2018

E-Link enables you to send your payments? orders (direct debits, SEPA transfers, international transfers, ?) to BNP Paribas and receive all reporting (bank statements, intraday, ?) in various formats.

Description

Based on standard communication protocols FTPS and SFTP, E-Link is an international communication solution addressing large companies with high volumes of collections and/or payments.

E-Link can be combined with:

- Our web portal to approve payments online and get their status in real time.
- Our solutions for security, data encryption and digital signature.
- Our full range of reporting and payment traceability services.
